

✨ MAGICAL LETTERS

A Birthday Surprise for Liam! 🎂

A special letter from the Birthday Genie ✨

Dear Liam,

Ahhhhhhh... **poof!** It is I, the Birthday Genie, here to grant you the most magical birthday wishes in all the land!

I have been watching you from my magic lamp for exactly **7 years** now, and let me tell you — what a magnificent journey it has been! Every candle on your birthday cake represents a year of laughter you have shared with the world, and let me count the ways you have made this world brighter..

You are so incredibly special, did you know that? There is absolutely no one else in this entire universe quite like you. Not in all the galaxies I have flown through, not in all the wishes I have granted across a million birthdays — no one shines quite like you do.

"May your year be filled with magical moments — surprise discoveries, laughter that fills the room, friends who feel like family,

and enough happiness to fill oceans."

Now go celebrate! You deserve every bit of the magic coming your way.

With sparkles and birthday cheer,

The Birthday Genie ✨🎂🎉
