Level Up: 2nd Grade Reader!

Dear Charlotte,

From the Grade-Up Wizard's Tower

Greetings, young scholar! I am the Grade-Up Wizard, and I have been watching you grow into an absolutely magnificent reader! As you level up to 2nd grade, I want to celebrate YOUR incredible journey through the world of books.

Did you know? Every book you read adds a new spell to your magical toolkit! When you learned to sound out your first words, you unlocked the Reading Magic spell. When you started reading chapter books, you discovered the Imagination Expansion charm. And now, as a 2nd grader, you're mastering the Comprehension Crystal!

Your teacher has noticed your wonderful progress. You've earned your Reading Badge, helped classmates understand their books, and shown such kindness in the library. The Wizard's Council is very impressed!

Keep reading, keep growing, keep dreaming. The world is full of stories waiting for you, young wizard!

With wizardly pride and admiration,

 ***The Grade-Up Wizard***
